

PRODUCT INFORMATION

TRAILER FOR OFFICE 365

You always receive exclusive content as a subscription. In 2019 there will be six video trailers on Office 365. In 2-5 minutes the end user will be shown the benefits of Office 365 applications such as teams and planners. This is done using an example from every-day work. You can use the trailers for motivation and communication in the transition phase.

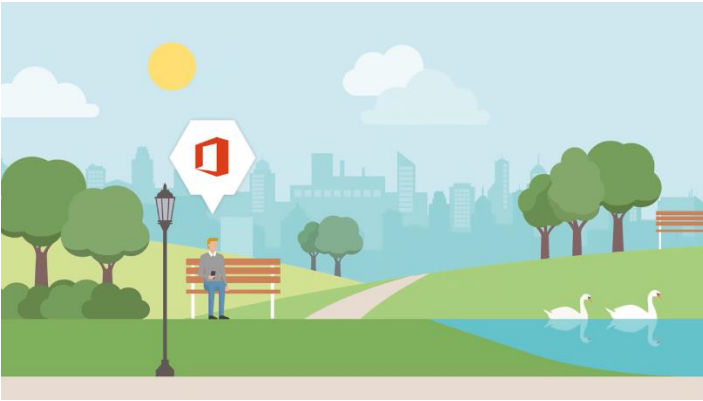

PARAMATERS

Version	1.0
Duration	00:02h- 00:05h
